

IT'S ICKY! IT'S STICKY!

MAKE YOUR OWN MARVIN MONSTER SWAMP-GOOP!

Have you ever wondered what the bottom of a swamp feels like? Not the top layer, but deep within the bottom ooze. Marvin Monster knows exactly how it feels and he wants you to know too!

INGREDIENTS:

4 cups flour

1 cup salt

1 1/4 cup warm water (add a bit of extra water if needed)

food coloring (**green** is best!)

DIRECTIONS:

Mix together while you press and mold dough until it's smooth and well-mixed. Add food coloring, if desired. Then form monstrous shapes or even create creatures that may be lurking in a swamp near you!

***Note:** If Swamp-Goop becomes too sticky -- flour hands, lightly.*
